

Privacy Policy

SmartExpense Tracker

Developed by: Ubaid Ur Rehman & Aown Abbas

Effective Date: May 2026 | Last Updated: May 2026

1. Introduction

Welcome to SmartExpense Tracker. This Privacy Policy explains how we collect, use, store, and protect your personal information when you use our Android mobile application. By using this application, you agree to the terms described in this Privacy Policy.

We are committed to protecting your privacy and ensuring that your personal data is handled responsibly and transparently.

2. Information We Collect

We collect only the minimum information necessary to provide our services. The following data is collected when you use SmartExpense Tracker:

a) Account Information

- Full name (provided during registration)
- Email address (used for login and authentication)
- Password (encrypted and managed securely by Firebase Authentication)

b) Expense Data

- Expense amount
- Expense category (e.g., food, transport, utilities)
- Date of expense
- Any notes or descriptions added by the user

c) Technical Data

- Device type and operating system version (for debugging purposes only)
- App usage logs (stored locally, not shared)

3. How We Use Your Information

The information we collect is used solely for the following purposes:

- To create and manage your user account
- To allow you to log, view, and manage your daily expenses
- To calculate and display total expenses on your dashboard
- To sync your data securely across sessions via Firebase
- To improve app performance and fix technical issues

We do NOT use your data for advertising, marketing, or any commercial purpose.

4. Data Storage and Security

All user data is stored securely using Google Firebase Realtime Database and Firebase Authentication. The following security measures are in place:

- Passwords are never stored in plain text — Firebase Authentication handles all credential management using industry-standard encryption
- All data is transmitted over HTTPS (encrypted connection)
- Firebase security rules restrict data access to the authenticated user only — no other user can read your data
- We do not store any data locally on the device beyond what is required for the app to function

5. Data Sharing and Third Parties

We do not sell, trade, rent, or share your personal information with any third parties, advertisers, or external organizations.

The only third-party service used by this application is Google Firebase (by Google LLC), which provides authentication and database services. Firebase's own privacy policy applies to data processed by their platform. You can review it at: <https://firebase.google.com/support/privacy>

6. App Permissions

SmartExpense Tracker requests only the minimum permissions necessary to function:

INTERNET — Required to connect to Firebase for login, registration, and syncing expense data.

ACCESS_NETWORK_STATE — Required to check internet connectivity before attempting to sync data.

This app does NOT request access to your camera, microphone, contacts, location, SMS, or any other sensitive device permissions.

7. Your Rights

As a user of SmartExpense Tracker, you have the following rights:

- Right to Access: You can view all your stored expense data at any time within the app
- Right to Delete: You can delete individual expense records at any time from the app
- Right to Account Deletion: You may request complete deletion of your account and all associated data by contacting us at the email below
- Right to Data Portability: You may request a copy of your data by contacting the developer

8. Children's Privacy

SmartExpense Tracker is designed for general users and is suitable for all age groups. We do not knowingly collect personal information from children under the age of 13. If you believe a child has provided us with personal data, please contact us immediately and we will delete that information.

9. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in the app or legal requirements. Any updates will be posted within the app and on our GitHub repository. The 'Last Updated' date at the top of this document will be revised accordingly.

We encourage you to review this Privacy Policy periodically to stay informed about how we protect your information.

10. Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy or your personal data, please contact us:
